Dear Mr. Wagner,

I've been trying to call you and your line has been busy and we're ready to leave for vacation. I really am sorry what happened to you and I hope your leg is much better. The dog's 10 days are up tomorrow and as of right now he's O.K.

I was wondering if it's possible for you to do the work next week, will be gone until Sunday, June 23. If it is, I'll pay you by check, Mon. June 24th. \$18.50.

Sincerely

Mrs. Dick Hummel
